### Who will be the Democratic Nominee.

It seems that there has been conventioning  
Held in several counties in this state  
for the purpose of nominating a  
democratic candidate for governor.

We think Wm. W. Holden of Raleigh, senior  
Editor of the Standard. Holden is brighter  
at present, than any other man in the  
state. Judge Ellis has received the nom-  
ination of several county conventions.

The contest will be between him and  
Holden. We will not pretend to prophet but \_\_\_\_\_, expect  
Holden will be the lucky man.

W.W. Avery of Burke has received the  
Nomination of his [x x], and four or five  
others. But as for our part we will support  
the man who does not big hands, stained with the  
blood of his countrymen, for any office whatever.  
It is not our business to advocate the  
claims of [x] of the above named [x],  
be it among your [x]. Who [x] will  
decide it for you in August next.

[x x] we are [x] if Elley  
is [x] we are satisfied, and if Burke is generous we  
AIN'T satisfied, that's all.
